Mindfulness involves cultivating non-judgmental awareness in each moment as it unfolds. Students will explore the background of mindfulness and specific movement based contemplative practices and have opportunities to engage with activities and practices to support the development of their own resources to support stress management and resilience.

Grading basis: Regular Grades

Career: Undergraduate

Course Components: Lecture Required

Course typically offered: Online Campus: Fall, Spring

Community Campus: Fall, Spring

-SA represents a Student Abroad & Student Exchange offering

-CC represents a Correspondence Course offering

May Be Offered Departments may offer this component in some semesters. See the Schedule of Classes for term-specific offerings.

SBS 311: Design Your Life (1 unit)

Description: This course uses the Design Thinking process to help you engage in career- and self-exploration for the purpose of developing agency in creating and guiding your career path. Throughout the course, you will develop a plan for your engagement and skill-building experiences that will allow you to test your ideas for a life plan that integrates work and your own personal values.

Grading basis: Regular Grades

Career: Undergraduate

Course Components: Workshop Required

Course typically offered:

Main Campus: Fall, Spring, Summer

Online Campus: Fall, Spring, Summer

Field trip: None

Success Course: Success Course

SBS 350: Introduction to Adobe Creative Cloud for Multimedia Projects (3 units)

Description: In this course students will learn to produce multimedia texts using the Adobe Creative Cloud suite. Besides becoming familiar with and producing texts in applications Adobe Spark, Photoshop and/or Illustrator, InDesign and/or Premiere, as well as Muse and/or Dreamweaver, students will learn about basic design, copyright, and accessibility issues related to writing multimedia texts. The vast majority of "writing" in the 21st century is either composed in or composed for digital environments. Even traditional literary novels and legal contracts have been adapted to be interacted with and consumed in digital applications. As "writing" has gone digital, it has also gone multimodal. To "write" in the 21st century is to compose with words, images, and sounds.

Grading basis: Regular Grades

Career: Undergraduate

Course Components: Lecture Required

Course typically offered:

Main Campus: Fall, Winter, Spring, Summer

Student Engagement Activity: Creative Expression

Student Engagement Competency: Professionalism

-SA represents a Student Abroad & Student Exchange offering

-CC represents a Correspondence Course offering

May Be Offered Departments may offer this component in some semesters. See the Schedule of Classes for term-specific offerings.

SBS 374: Social Research Methods (3 units)

Description: Problems of conceptualization and measurement of social phenomena; design of research projects; techniques of data collection and analysis.

Grading basis: Regular Grades

Career: Undergraduate

Course Components: Lecture Required

Home department: School of Sociology

Enrollment requirement: Major: SOC.

Student Engagement Activity: Discovery

Student Engagement Competency: Innovation and Creativity

SBS 393: Internship (1 - 12 units)

Description: Through specialized work in professional settings, students are exposed to the day-to-day experiences that cannot be gained from the traditional classroom setting. Students gain individual training and service in the public, non-profit, and private sectors.

Grading basis: Alternative Grading: S, P, F

Career: Undergraduate

Course Components: Independent Study Required

Repeatable: Course can be repeated for a maximum of 12 units.

Course typically offered:

Main Campus: Fall, Spring, Summer

Student Engagement Activity: Professional Development

Student Engagement Competency: Professionalism

SBS 395A: Special Topics in Social and Behavioral Science (1 - 6 units)

Description: An exploration of themes and topics relevant to Social and Behavioral Science.

Grading basis: Regular Grades

Career: Undergraduate

Course Components: Colloquium Required

Repeatable: Course can be repeated a maximum of 2 times.

Course typically offered:

Main Campus: Fall, Spring, Summer

-SA represents a Student Abroad & Student Exchange offering

-CC represents a Correspondence Course offering

May Be Offered Departments may offer this component in some semesters. See the Schedule of Classes for term-specific offerings.

SBS 397A: Transfer to Success in the Social Sciences (1 unit)

Description: Focusing on the particular and unique needs of incoming transfer students, this course offers an in-depth examination of the social sciences with particular emphases on research, careers, and preparation for graduate study.

Grading basis: Regular Grades

Career: Undergraduate

Course Components: Lecture Required

Course typically offered:

Main Campus: Fall, Spring

Success Course: Success Course

SBS 399: Independent Study (1 - 3 units)

Description: Qualified students working on an individual basis with professors who have agreed to supervise such work.

Grading basis: Alternative Grading: S, P, F

Career: Undergraduate

Course Components: Independent Study Required

Repeatable: Course can be repeated a maximum of 2 times.

Course typically offered:

Main Campus: Fall, Spring, Summer

-SA represents a Student Abroad & Student Exchange offering

-CC represents a Correspondence Course offering

May Be Offered Departments may offer this component in some semesters. See the Schedule of Classes for term-specific offerings.

SBS 411: Design Your Search (1 unit)

Description: This course engages students in designing their personal plan for searching for a job or internship through the gaining of knowledge about timelines, resources, and expectations of a successful search and reflecting on how their personal skills have value in their desired career path. Utilizing a design thinking process to develop their plan, students will define what opportunities align with their career path and values and connect to their skills and experiences. Students will design an actionable plan for their job/internship search that lay outs how they will pursue those opportunities, execute their plan, and remain open to iteration in the process. Ultimately, students will be able to present themselves professionally through their application documents (resume, cover letter, etc.) and in an interview. Ideally, students will take this course when they would like to start a search for an internship or job. It is recommended but not required that students take SBS 311 prior to this course, or have completed 60 units and have declared a major.

Grading basis: Regular Grades

Career: Undergraduate

Course Components: Workshop Required

Course typically offered:

Main Campus: Fall, Spring, Summer

Online Campus: Fall, Spring, Summer

Recommendations and additional information: It is recommended but not required that students take SBS 311 prior to this course, or have completed 60 units and have declared a major.

Field trip: Attend at least one of these UA Career Days options:
o Cluster Career Days (TBD)
o STEM Days (TBD)
o Non-profit & Green Career Days (TBD)
o Veterans' Hiring Programs, Defense and Law Enforcement Career Fair (TBD)

Success Course: Success Course

SBS 493: Internship (1 - 12 units)

Description: Through specialized work in professional settings, students are exposed to the day-to-day experiences that cannot be gained from the traditional classroom setting. Students gain individual training and service in the public, non-profit, and private sectors.

Grading basis: Alternative Grading: S, P, F

Career: Undergraduate

Course Components: Independent Study Required

Repeatable: Course can be repeated for a maximum of 12 units.

Course typically offered:

Main Campus: Fall, Winter, Spring, Summer

Field trip: None

Student Engagement Activity: Professional Development
