Science Teaching (STCH)

STCH 497F: Community and School Garden Workshop (2 - 6 units)

Description: This workshop-based course is designed to enable UA undergraduate and graduate students to work in Tucson-area schools and community sites helping stakeholders to plant, harvest and prepare foods from their garden as well as use the garden as a learning space. As a member of a school or community garden team, students are likely to cover a wide range of activities from maintaining a compost pile to administering lesson plans for teaching in the garden to weeding, planting, and organizing work crews. In addition to attending one 3-hour weekend workshop, students are required to attend weekly class meetings on the UA campus. Most of the course, however, revolves around independent and sustained involvement with a Tucson school or community garden. No teaching or gardening experience is required.

Grading basis: Regular Grades

Career: Undergraduate

Course Components: Workshop Required

Repeatable: Course can be repeated for a maximum of 9 units.

Also offered as: AIS 497F, ENVS 497F, GEOG 497F, HPS 497F, LAS 497F, NSC 497F, PLS 497F, TLS 497F

Co-convened with:

Course typically offered:

Main Campus: Fall, Spring

Home department: School of Geography and Development
