Letters, Arts and Science (LASC)

LASC 100X: Success in Transition: Wildcat Academy (1 - 3 units)

Description: The purpose of this developmental course is to investigate the factors affecting student academic and personal development at the collegiate level. The focus is on developing skills that assist freshmen in making a successful transition from high school to college and to develop a foundation upon which to build for the future. Topics include current problems faced by students, academic issues and skills, learning strategies, leadership issues, problem solving, life skills and character development, communication skills, time management skills, major and career planning. Please note: Units from this course will count toward full time eligibility for scholarships, financial aid and other campus related activities; however, units from this course will not count toward graduation requirements.

Grading basis: Developmental No GPA: ABCDE

Career: Undergraduate

Course Components: Lecture Required

Course typically offered:

Main Campus: Fall

LASC 197M: Success Starts Here (1 unit)

Description: This workshop-lab is designed to provide practical application of current research about college transition strategies. These strategies increase the likelihood of successful integration into the university's academic community. Course themes and activities focus on: decision-making, motivation and goal-setting; developing relationships with faculty, advisers and other students; identifying and practicing critical academic skills particularly time management; and learning about and applying essential university policies and procedures. Learning in this class involves the exchange of ideas and practical methods, skills, and principles. Instruction is self-paced with specified assignments and deadlines.

Grading basis: Student Option ABCDE/PF

Career: Undergraduate

Course Components: Workshop Required

Course typically offered:

Main Campus: Fall

Success Course: Success Course
